COINFLIP

TREZOR

ABRA

Zero risk, zero rolling reserve, zero security incidents

Industry leading payment and fraud coverage for even the most underserved markets, we take on full chargeback responsibility. We're proud to have a stunning track-record of protecting our partners since 2014

Best-in-class user support, available 24/7

We take pride in the fact that we run off lots of coffee and very little sleep, offering an exceptionally fast response rate, no matter the hour or day of the year

Highly customizable UI, flexible APIs, dynamic UX

Our solution, your way. You choose how and where you want any Simplex accounts offered, thanks to our customizable integrations

Support for 45+ cryptocurrencies, 50+ fiat currencies, global wire transfer, honest and transparent pricing

Give users the true freedom to buy how they want, through debit or credit card, bank transfer or alternative payment methods, with the assurance that payments will successfully be completed

Industry leading conversion

We take pride in our commitment to your user experience, constantly rolling out the hottest coins, enabling additional fiat currencies, and more to keep conversion rates sky-high

End-to-end solution

Tap into all the tools needed to promote onramps, with our Turnkey solution enabling global credit or debit cards, Simplex Banking for flexible and immediate purchases, our Corporate Account for crypto-friendly banking, and our Visa debit card for immediate purchases

Payment methods

 BINANCE 

"We want to provide Binance users with fast and easy access to crypto, in the most secure way possible. Partnering with Simplex allows us to instantly bridge the gap between credit card payments and crypto for traders globally. On Binance.com, you can now buy crypto with credit cards and start trading in minutes."

CEO Binance

Changpeng "CZ" Zhao,

withdrawals

Fiat account includes:

- ↑ fiat balance
- ↑ buy/sell between fiat/crypto pairs for hundreds of crypto assets (NFTs included)
- ↑ support for local and global top-up methods
- ↑ 24/7 support

As the market leader, we pioneered the first riskless global fiat onramp using a credit and debit card, which promises a zero chargeback guarantee. Constantly innovating and uncovering ways to grow the ecosystem, Simplex recently launched Simplex Banking and Corporate Accounts, to offer the Simplex fraudless payment processing, with wider payment accessibility. Processing millions in payments daily, we can safely say we're growing the ecosystem. Visit www.simplex.com to learn more.
